

Certificate of Analysis (COA)

Product Name: Fulvic Acid 80% (Powder/Granules)

Batch No.: FA-2026

Specifications & Test Results

Parameter	Specification	Test Result
Appearance	Dark brown powder / granular	Conforms
Fulvic Acid Content	≥ 80 %	81.0 %
pH (1% aqueous solution)	4.0 - 6.0	5.2
Moisture Content	≤ 10 %	8.5 %
Water Soluble Extract	≥ 90 %	92 %
Ash Content	≤ 5 %	4.2 %
Heavy Metals (as Pb)	≤ 20 ppm	12 ppm
Iron (Fe)	≤ 0.5 %	0.35 %
Insoluble Matter	≤ 1 %	0.7 %
Odor	Characteristic, non-offensive	Conforms

Additional Information

- **Solubility:** Fully soluble in water.
- **Recommended Use:** Soil amendment, foliar spray, nutrient chelation, and bio stimulant.
- **Packaging:** 1 kg / 5 kg / 25 kg HDPE bags or drums.
- **Storage:** Store in a cool, dry place away from sunlight and moisture.
